2016/2017 COURSE CATALOGUE

Dear Parents,

I'd like to welcome you back to another exciting year of Mercaz After School Activities here at Cherry Lane. The following packet includes the 2016/2017 Monday-Friday and Sunday programs that Mercaz ASA will be providing. The first semester of Monday-Thursday begins on 9/19/16 and runs through 1/20/17. Please note that due to holidays in October, 10/5 and 10/6 classes will be run on a Monday and Tuesday schedule and 10/26 and 10/27 classes will also be run on a Monday and Tuesday schedule.

Our goal for this year is to offer the best programs for you and your child throughout the upcoming school year. Over the past several months, we have worked closely with our ASA parent committee to incorporate parent requests into helping revamp our ASA courses.

Returning ASA students will progress through courses with the help of our skilled staff and make the leap from last year's programs in maturity, responsibility, expectations and most of all fun! We look forward to welcoming new students to our after school program where they will learn new skills as well as make new friends.

Please review the enclosed packet which includes the Monday-Thursday schedule, course catalog, pricing sheet and registration form, the Friday PreK Little Leaguers registration form, the Friday course catalog and Friday registration form as well as registration forms for all of our Sunday sports programs.

In order to guarantee a spot for your child, please fill out the enclosed registration forms, and send them along with a check made out to NSHA care of Coach Hall. We will also be posting all of this information on the school website: www.NSHA.org. The originally scheduled course of Lanyard Ladies is no longer being offered and a CoCo Hip Hop dance class for 3rd graders has been added on Wednesdays.

PLEASE NOTE: Students cannot attend class without a completed registration form and check paid in full in advance. Want a specific class but don't see it listed? If you are interested in a class but don't see it, please contact me at mhall@nsha.org or 516-487-8687x151 to discuss program options. A minimum of 10 students must be guaranteed to start a class.
