Dear Friends,

I am writing to you on behalf of the North Shore Hebrew Academy and North Shore Hebrew Academy High School, a co-educational school located in Great Neck, NY. We offer a state of the art educational experience to over 1,000 students in grades Toddler through Twelve. **We are very proud of all our current students from communities throughout Long Island such as Great Neck, Roslyn, Port Washington, Queen and Brooklyn, among others as well as our thousands of alumni throughout the world.**

We are currently in the midst of our communal fundraising initiative. The proceeds from this campaign are critical to our mission of providing a premier educational experience to our students. With operating costs on the rise and more of our families applying for scholarships, we remain committed to providing an educational experience that maintains the highest level of excellence rooted in Torah and Jewish values.

The success of our campaign is entirely dependent on the level of contributions that we are able to obtain from companies and organizations such as yours. I'm reaching out to invite you to partner with us as a corporate supporter for our school. **All qualified donations to this campaign are tax deductible and will be recognized when designated for specific events (e.g. the Summer Outing) as well as our annual dinner celebration's scroll of honor.**

Please let me know if you have any questions or if I can be of assistance.

Thank you for your consideration.

Sincerely,
