A Day of Learning

Sponsoring a Day of Torah Learning is a meaningful way to commemorate a simcha or to honor a loved one. This effort provides our students with the opportunity to fulfill the mitzvah of studying in the merit of another person, a mitzvah that we hope they will continue to practice throughout their lives. Funds raised through this special program go directly to provide additional educational programs for the benefit of our children.

The day will be recognized with an email sent out to our community, a post on NSHA's social media feed, and a mention in our weekly Newsletter.

To sponsor a Day of Learning, please contact Laura Cohen at lcohen@nsha.org or visit www.nsha.org/dayoflearning
